A Brief History of Aequus Institute

Aequus Institute was started in 1983 by the late Loran Alan Mansfield with two specific objectives:

- the promotion and strengthening of the free market economic system throughout the world
- the promotion of the teaching of Mary Baker Eddy and the Cause of Christian Science

The following represent some of the successful efforts of Aequus Institute to further the cause of Christian Science:

- publishing of two biographies on Mary Baker Eddy and other books
- publishing of Science and Health with Key to the Scriptures by Mary Baker Eddy (Mrs. Eddy's 1910 ed.)
- placement of 200,000 copies of Science and Health in hotels and motels across the United States
- developing and marketing of the CD-Rom Journal Search program, a complete concordance to the Bible, Mrs. Eddy's published writings and the Christian Science Journal (from 1883-1910)

Aequus Offers Free Copies of the Bliss Knapp lecture, Christian Science: Its Nature and Purpose to Christian Science Reading Rooms

This letter was sent to all Reading Rooms in February. We reprint it here so that all may take advantage of this wonderful offer and have the opportunity to read one of the finest lectures by Bliss Knapp. At only \$2.50 each, the booklet will make a great gift for family and friends.

February 2003

Dear Friends:

We enclose as a gift for your Reading Room, five free copies of the lecture titled, *Christian Science: Its Nature and Purpose*, by Bliss Knapp, originally published in 1906 by the Christian Science Publishing Society.

Bliss Knapp was the son of Ira Knapp, a member of the Board of Directors and close friend of Mrs. Eddy. Mrs. Eddy arranged for Bliss Knapp to attend Harvard University and appointed him to the Board of Lectureship upon his graduation. Mrs. Eddy then edited his lectures and eventually Bliss Knapp lectured world-wide and became one of Mrs. Eddy's favorite lecturers. We feel the enclosed lecture is one of his most intriguing.

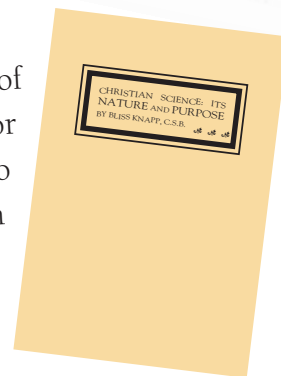

Reading Rooms may purchase additional copies of this wonderful lecture by Bliss Knapp at a reduced price of \$1.25 each. The original cost is \$2.50 each. Please feel free to tell others they can order this lecture by calling our toll free number 1-800-441-1963 or emailing us at aequus@aequus.org.

Sincerely,

Aequus Institute

P.S. For a limited time, we will consider sending your church additional copies, free of charge, for use as a handout at a current lecture. Please send your request for free copies to the address below.

volunteers hotel placement Science and Health

Have you wondered how you can share *Science and Health with Key to the Scriptures* by Mary Baker Eddy? Aequus Institute is in need of individuals interested in participating in its Hotel Placement Program to put copies of *Science and Health* in hotels and motels across the country. Aequus started this hugely successful program eight years ago, and to date over 200,000 copies of Mary Baker Eddy's textbook are now in hotel rooms throughout the world.

The fruitage from this effort has been marvelous with many people writing in to tell of their joy in finding the book and of the healings they have experienced of various problems—physical, financial and others.

Taking part in this program does not cost a hotel anything. To help you succeed we have an orientation audiocassette as well as one-on-one introductory training with our Placement Director. It is so easy to talk to a hotel owner or manager, explaining to him or her that what we are offering is a companion book to the Bible already in their drawers and that *Science and Health* is a book that provides practical healing insights into the truths contained in the Scriptures.

With a simple system in place that provides the participating hotel with enough

books for every room, plus fifteen percent additional to replace those that are damaged or missing, the opportunity to reach thousands of people with this practical healing message is limitless. There are even individuals who have successfully placed books in hotels in other countries, such as Canada, Mexico, and New Zealand. Additionally, we follow up with each hotel manager to insure that they have an adequate supply of books for their rooms, once they have signed up for the program.

To learn more about this opportunity to share *Science and Health* call us at 1-800-441-1963 or email us at aequus@aequus.org.

“So many of my guests have appreciated this book in the rooms along with the Bible. Thank you.” — M.F.

*“Last October I was on an automobile trip for nearly five weeks. At some point, I don't recall just where, I found a placement of *Science and Health with Keys to the Scriptures* in the desk drawer of a motel room. It filled a real need at the time, and as it turned out, it ended up in my own suitcase. I apologize for the length of time it has taken to get this cheque to you – but thank you!” — C.G.*

“Looking forward to providing some comfort and goodwill to the guests.” — M.B.

“Very good book and guests are happy.” — D.I.

*“On my recent trip I took one of your *Science and Health* books from my motel room. Enclosed is my check to cover the cost. Thank you for this book. I am sure to receive healing and help from the contents.” — N.F.*
